Ref. No.: 0643\Admin\2026-27 Date: 20.05.2026.

To,
CSR Head,

Subject: Appeal for CSR Support towards Environmental and Educational Development Initiatives

Dear Sir/Madam,

Greetings from DES!

Deccan Education Society is a reputed educational institution having the legacy of 140 years. DES is dedicated to providing quality education and fostering the holistic development of students. Over the years, the Society has consistently worked towards nurturing academic excellence, character building, and co-curricular growth among students from diverse socio-economic backgrounds.

A large number of our students belong to economically weaker and middle-income families. Therefore, support through Corporate Social Responsibility (CSR) funds becomes crucial in helping us provide inclusive, equitable, and quality education to deserving students.

We humbly appeal to your esteemed organization to consider extending CSR support towards our educational development initiatives. Your valuable contribution can help create a safe, technologically enabled, and inspiring learning environment that empowers students with the knowledge, skills, and confidence needed for a brighter future.

Please find attached CSR brochure featuring information about DES, completed CSR projects and proposed CSR projects. We would be grateful for an opportunity to present our initiatives and discuss potential areas of collaboration in person.

All the legal compliance to receive CSR funds are already fulfilled by DES.

We look forward to your positive support in shaping the future of young learners.

Yours faithfully,

Dr. Anand Katikar
Secretary

Vaman Shivaram Apte

Deccan Education Society (DES) was established on 24th October,1884 holds a revered place in the educational landscape of our nation and is parent body of DES Pune University (DES PU). Born from the lofty ideals and fervent aspirations of four young firebrand nationalists, who were barely in their twenties and thirties, the Society believed that education was the most effective means to bring about social transformation among the Indian populace and to achieve political emancipation from the grip of foreign rule. For over 139 years, the Deccan Education Society has wholeheartedly served our nation.

About Deccan Education Society

Welcome to the Deccan Educations Society (DES), a distinguished institution with a rich heritage spanning 138 years. Founded in 1884 by a group of visionaries, DES has been instrumental in shaping the educational landscape of India. With a commitment to providing quality education, DES has emerged as a beacon of knowledge, fostering intellectual growth and holistic development.

The founders of DES, including illustrious personalities like Lokmanya Bal Gangadhar Tilak, Gopal Ganesh Agarkar, Vishnushastri Chiplunkar, Mahadeo Ballal Namjoshi and Vamanrao Apte envisioned an education system that would empower individuals and contribute to the nation's progress. Their foresight and unwavering dedication laid the foundation for the Society's enduring legacy.

Over the years, DES has established a network of esteemed institutions that have become pillars of excellence in various fields. Starting with New English School in Pune in the year 1880, today Deccan Education Society has emerged as a dynamic conglomerate of 58 educational institutes. All these institutes are acknowledged as centres of quality education with the firm commitment to the pursuit of excellence. Deccan Education Society has spread its operations at multiple locations namely Pune, Mumbai, Sangli, Satara, Wai, Shirur, Alibaug and Renigunta.

The legacy of DES extends beyond academics, emphasizing the holistic development of students. The Society encourages the pursuit of knowledge, critical thinking and a strong sense of social responsibility.

CSR Capacity Building Initiatives for DES Institutes

CSR Conclave 2025

DES Pune University organized the CSR Conclave 2025 on 29th November 2025, bringing together senior teachers/faculty members, and institutional heads of the Deccan Education Society, for a full-day capacity-building program on Corporate Social Responsibility (CSR). The keynote speaker, Mr. Shrirang Dhavale from Tata Sustainability Group, highlighted the key pillars of a strong CSR partnership, emphasizing transparency, measurable impact, and meaningful collaboration between corporates and educational institutions.

CA Makarand Lele explained the legal, financial, and compliance framework under the Companies Act, 2013, while Dr. Shweta Bapat guided participants on identifying impactful CSR projects and preparing effective proposals. Conclave concluded with a valedictory address by Mr. Amit Kulkarni, summarizing key learnings and reinforcing the importance of CSR engagement.

CSR Project Proposal Writing Workshop

DES, in collaboration with CSR Nexus, organized a CSR Project Proposal Writing Workshop on 14th February 2026, attended by over 70 participants. The program focused on building practical skills in designing impactful CSR projects and preparing effective proposals, helping participants better align institutional initiatives with corporate expectations and enhance their ability to secure CSR support.

Why DES Need CSR Funds?

DES is a reputed educational institution committed to deliver quality education and fostering the holistic development of students. Recognized by the Government of Maharashtra, Society has consistently worked towards nurturing academic excellence, character building, and co-curricular engagement among young learners.

While the institution receives government grant-in-aid, the support in recent years has been largely limited to staff salaries. Critically, there is minimal financial provision for infrastructure development, maintenance, or the enhancement of educational resources. Consequently, the society requires to depend significantly on external donations to meet its developmental requirements. However, limited access to sustained funding poses considerable challenges. Upgrading infrastructure to create a safe, technologically enabled, and engaging learning environment remains a pressing need.

At Various institutes of DES, significant proportion of the student community comes from economically weaker and middle-income backgrounds. As such, seeking additional financial contributions from parents is neither practical nor equitable. This further limits the Society's capacity to invest in quality enhancement initiatives.

In this context, support through Corporate Social Responsibility (CSR) funding becomes vital. CSR partnerships can enable various institution to strengthen its infrastructure, integrate digital learning solutions, upgrade laboratories and sports facilities, and implement impactful skill development and personality enhancement programs for the needy students.

Such contributions will play a transformative role in ensuring inclusive and equitable quality education. This will empower students with the knowledge, skills, and confidence required to succeed in a dynamic world and contribute meaningfully to society as responsible and capable citizens.
